To Whom It May Concern

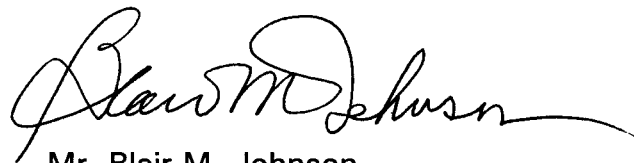

Dear Reader:

This letter is being written to you as a testimonial for James O. Cunningham, Esquire. I have known Mr. Cunningham in a professional capacity since 1985. During that time I have referred in excess of 200 personal injury and medical malpractice cases to Jim. Jim has had extraordinary success in obtaining settlements for my clients in cases that to me seemed hopeless. Many of the settlements far exceeded the client's expectations.

As a referring attorney it is of the utmost importance to me that I know that the client's needs come first. That is why I feel so comfortable referring cases to Jim, and not only is Jim an excellent personal injury and medical malpractice attorney but he is also an individual of the highest integrity.

I would unconditionally recommend Jim to anyone who finds themselves in need of a personal injury, medical malpractice or wrongful death attorney.

Sincerely,

A handwritten signature in black ink, appearing to read "Blair M. Johnson". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Mr. Blair M. Johnson
